tractor cycle - \$2500 (lowville)

built this last winter for a ole time gas an steam eng show we have up in cville. an the fathers day car show. got first place with it both times. but

want to part with it now. need the space. its a 650 yamaha frame hardtailed. 16 hp briggs vtwin motor. fatboy wheels.250x three wheeler forks. shovelhead fenders.corn planter seat mounted to sno sled leaf spring. it runs an goes but could use a better clutch set up. as now it has a slipper clutch .take a look let me kno thanx larry
