1968 BMW R60 US - \$19000 (GREEN VALLEY)

PLEASE NO TEXT MESSAGE.

1968 BMW R60 US

This is truly a collector's item in pristine condition!

Totally restored by Apex Cycle in Elijay, Georgia.

Same company that restores some of the bikes for Billy Joel's bike collection.

600 miles since complete restoration and has had first service performed.

Good for a cross country rider or a piece of art.

It is part of an air head collection of BMW bikes.

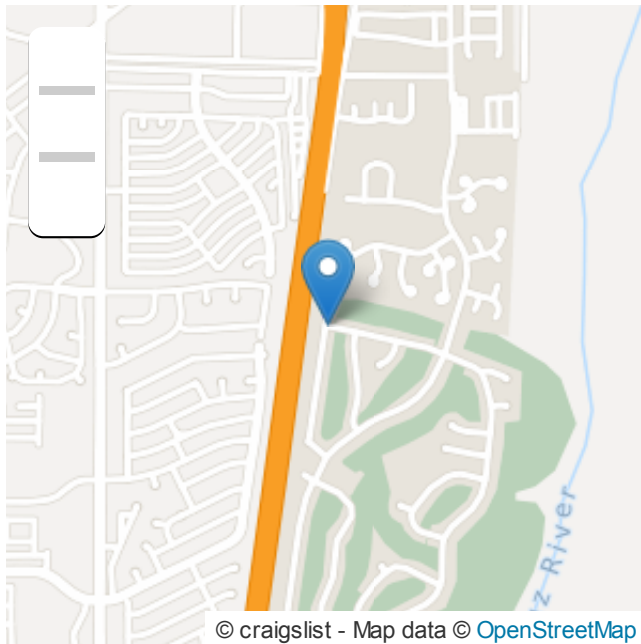

Am selling because I have 8 BMW bikes and 3 vehicles.

I moved to Green Valley, AZ from Georgia and, at 75, I'm too dang old to be fooling with this stuff and need more garage space!!

Thanks for looking!

If my asking price doesn't work for you, make me an offer and let's see if we can make it work.

NO TEXT PLEASE - I DON'T TEXT.
